You will report directly to the EU business Director

### Your key responsibilities and challenges are :

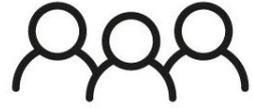

- Manage the inbound overseas operations with the Novasol Asian team or agents
- Assure quality & safety compliance with all subcontractors in the supply chain
- Close collaboration with sales and product management team to determine best practices (to forecast demand or create supply plans that ensure availability of products).
- Collect required data and information from suppliers regarding sustainability

### Your profile:

- Previous working experience in international trade (chemicals is an asset)
- Hands on experience with supply chain management software
- Sense of ownership and pride in your performance and its impact on company's success
- Critical thinker and problem-solving skills
- Good communicator
- Good time-management skills
- Great negotiation and communication skills
- Hands on & entrepreneurial mindset
- Fluent in Mandarin & English (Dutch/French is an asset)
- Able to work with different cultures and levels
- You are positive and willing to contribute to the company team spirit by your open communication and active knowledge sharing amongst colleagues
- Flexible and ready for some travelling to warehouses and subsidiaries in the NC Group (according to local Corona regulations)

# Novasol Chemicals
